

HAYLIE WONG

PRODUCT DESIGNER | TORONTO, ON | HAYLIEWSW@GMAIL.COM | LINKEDIN.COM/IN/HAYLIEWSW

PROFILE

Product designer with four years of dedicated UX/UI and digital product experience. I bring a communication-first approach to complex information, practical workflows, visual craft, and cross-functional collaboration.

EXPERIENCE

- | | |
|----------------|---|
| 2026 - Present | Co-founder Oupelaye Studio Quebec, Canada
Co-founding a game studio. Lead art direction and game UX while collaborating closely with development. |
| 2023 - Present | Senior Copywriter The Immigration People Singapore
Develop clear communication while handling clients' confidential information with discretion. |
| 2023 - 2024 | Executive Assistant ed&c; Singapore
Supported organizational operations and day-to-day coordination. |
| 2020 - 2022 | Digital Product Designer Abiilion Singapore
Contributed UX/UI and digital product design work in cross-team collaboration. |
| 2017 - 2019 | UX/UI Designer Decision Science Singapore
Worked across UI design and UX research. |

CORE SKILLS

Product design · UX/UI design · Information architecture · Workflow design · UX research · Visual design · Cross-team collaboration · Art direction · Game UX

SELECTED PROJECT

Inventory Management System — Designed and built a user-friendly website from a CSV database to organize inventory records, stock availability, sales, and movement. Structured listing, storage, and fulfillment documentation through a more intuitive inventory interface.

EDUCATION

Design Management (Post-graduate Certificate) — George Brown College, Toronto, Canada (2022–2023). Dean's List: Fall 2022 and Winter 2023.

Bachelor of Communication (Professional Communications) — RMIT University, Singapore & Australia (2016–2017).
